## Work experience

**Junior .Net developer** 05.2019 – 07.2019  
Deloitte , Prague, Czech Republic

We developed an internal nonprofit web application for employees. I added an additional functional to the existing application (buttons, search strings, localization) and worked with database.

**Full Stack developer** 06.2018 – 08.2018  
Dobrobut, Odesa, Ukraine

I designed a website for a small enterprise. This is Single page website written on .NET Framework.  
It contains overview of enterprise basic information and Feedback form for contacting my Client.  
I'm using HTML/CSS(Bootstrap library), Javascript for manipulating data & C# for handling Back-end.
